

Hello. We are Kidderminster Academy.

We are delighted that you have chosen to apply for one of our Fashion, Interactive Media & Games Design programmes, which are delivered through the highly prestigious University of the Arts London exam Board – please ask us for more information during your visit.

After a brief tour of the department you will be asked to take part in an advice and guidance appointment, during which you will have the opportunity to talk about your interests and career aspirations. You should bring along examples of work in your chosen subject area, showing as broad a range of techniques and approaches as possible.

General Information

Please bring with you your most recent school reference and allow up to 30-45 minutes for your advice and guidance appointment.

We look forward to meeting you at our inspiring Kidderminster Academy building.
